

**Davis Legacy Soccer Club
2018-19 Player/Family Participation and Membership Agreement for
Volunteer and Financial Obligations**

Accepting a position as a player on a team involves a commitment of both time and money for the family. It is required that the player and their family will participate for the entire season, abide by our sportsmanship requirements, and meet the volunteer and financial obligations as outlined below.

Sportsmanship

Both our club and league (NorCal Premier) understand and value the importance of good sportsmanship. The end result is players who understand the value(s) of civility and respect for others in their relationships both on and off the soccer field. Parents must be helped to develop a “long term” view of our wonderful sport that places more emphasis on the development of more skillful players and teams than the winning of games. Coaches and players should show maximum respect for the game by always respecting the opposition, the referees and each other. Parents will also be required to exhibit the same respect for the game by only showing positive support for the team. Any behavior outside the bounds of positive encouragement may well warrant a club sanction.

Volunteer Obligations

During the year, our club hosts a number of club-hosted tournaments. The hosting of tournaments provides a major source of revenue for the club’s operation, which directly affects the level club dues are set at each year.

Therefore, in order to maximize our return from each tournament, each family is required to provide a minimum of eight (8) hours per registered player of volunteer work at a club-hosted tournament. During a tournament weekend, all parents of the assigned team can expect to be at the fields for most of the day, as well as helping with pre-tournament assignments during the week(s) prior to the tournament. Each team will be notified at least 30 days in advance regarding which tournament families on their team will be needed to provide volunteer services.

In lieu of providing eight (8) hours per registered player of volunteer work at a club-hosted tournament, a family may opt out of their “Volunteer Obligation” (i.e. time commitment) by paying a one-time \$150 fee per registered player. Information regarding making your one-time \$150 opt out payment is available on the club’s website at:

www.davislegacysoccer.org/information/volunteer-opt-out . If you do not opt out, and you fail to comply with your Volunteer Obligation, you could be subject to a club sanction.

Commitment to Team

Forming a team takes significant amount of time and effort for club administrators and the coaching staff. Each family who receives and accepts a position on a club team is expected to participate on that team for the full-prescribed program length. Any family who receives and accepts a position on a team at any point after the start of the season is expected to participate on that team for the remainder of the prescribed season. The only exceptions to this requirement is for any player who is selected to participate in an approved USSF Academy team (Boys or Girls) at the U13 and up age groups or any player who is no longer in high school and will be attending college following the end of summer. In both those cases partial participation and commitment is allowed.

Financial Obligations

Each family who has a player participating on the team is required to pay the club dues, as outlined in Appendix A and described below. The dues cover club costs associated with coaching, member clinics (striker/skills/keeper), NorCal league registration fees (every team participates in two league seasons), team tournament entrance fees, NorCal State Cup entrance fees, coach travel reimbursements, US Club registration, field and facility maintenance, player insurance, and referees. The club dues do not include the cost of uniforms, individual equipment, individual costs associated with traveling to a tournament or match. Unless otherwise specified, club dues are set at a level to be as close to all-inclusive as possible. However, there could be other discretionary team related costs that may materialize, which are not accounted for in the club dues and for which you would be responsible for your fair share of the expense. For ECNL Teams there are travel fees that are separate and apart from your club dues that each player is required to pay. You can visit the club's ECNL webpage for more information regarding the travel fees.

Club dues are similar to tuition. They are not optional. If you are unable to attend a tournament or train for any reason including illness or injuries, no refund is due. Players who suffer serious injuries lasting more than two months, however, may submit a request to the Davis Legacy Soccer Club seeking a waiver in Club Dues pursuant to the Club's Injured Player Policy.

The club provides financial aid, ranging from \$100-\$800 for families in financial need. The financial aid does not cover a full season cost of club dues. Interested families will be asked to fill out a brief application to confirm financial need and provide supporting documentation. Individual teams, at their discretion, may provide additional assistance to financial aid families by fundraising throughout the year with the proceeds from the fundraiser being directed to the financial aid families.

Each family must be aware of the need to make payments in a timely manner. All dues are due by the 15th of each month and must be submitted according to the following monthly payment schedule (please note the payment schedule does not correlate to the teams operating schedule):

- U9-U19 Teams: June 2018 through March 2019 (10 Monthly Payments beginning June 15 2018 and ending March 15 2019)

For U9 to U13 teams clubs dues must be paid via electronic check or credit card. For U14 and older teams, club dues may be paid via cash, check, electronic check, or credit card. Checks should be made out to "DYSL" and can be dropped off at the payment drop box at the fields or mailed to the following address:

DYSL Treasurer
P.O. Box 72295
Davis, CA 95616

When mailing or dropping off your payment you must include the name of your player on the memo line of the check. Credit card payments are preferred and can be made via your player's GotSoccer account or by requesting a credit card payment from the club treasurer.

Nothing prohibits a family from paying the full amount, or more than the regular scheduled monthly payment in advance.

Payments delinquent more than sixty days after the due date will be cause for player suspension from practices and games until the account has been brought current. If a family is unable to meet the payment schedule due to temporary circumstances, please contact the club VP for Membership, or Club Administrator, to establish a payment plan to accommodate the circumstance. If a family does not meet its financial obligations for the season, then notification will be made to the Executive Committee of the Board of Directors and participation in any club program and tryouts (including with other teams in the club) will be prohibited until the financial obligation has been met. No Exceptions.

The undersigned family agrees to meet the monthly payment schedule for the entire season. If circumstances require the family to leave the team prior to the end of the team's season, the family may petition the Executive Committee of the Board of Directors for a waiver from some portion of the remaining cost. However, there is no guarantee a waiver will be provided. Waivers are granted at the sole discretion of the Executive Committee of the Board of Directors.

We/I have read the Membership Agreement and We/I agree to meet the sportsmanship, volunteer, commitment, and financial obligations/requirements for the season.
