Financial Aid Policies

- Financial aid is awarded to players based on financial need.
- Financial aid awards are revocable if the conditions listed within the program are not met.
- Financial aid awards will be credited directly to each player's GotSoccer account and posted to the invoices at the end of the season provided that all conditions are met.
- No financial aid will be granted to returning players that (or players whose siblings) have a delinquent account from prior seasons.
- Players may apply at one of the Financial Aid Submission nights, drop off forms in the club drop box, or submit forms via email. Contact the club Administrator if you cannot attend a scheduled in-person session and you have questions.
- Financial aid recipients also have the opportunity to volunteer for parking shifts at DLSC events to further reduce their family's financial burden. Credits of \$15 per hour per parking volunteer shift will be attributed to your players account. Please note, the sum of the financial aid and the credits earned by volunteering for DLSC parking shifts may not exceed the club dues for the current season.
- Information submitted in support of a financial aid application will be kept confidential, except to the extent necessary to effectively administer the program.
