Financial Aid Application Process

- Financial Aid applications should be emailed to: jhoward@davislegacysoccer.org. Submit all the following when sending in your information:
 - A completed DLSC Financial Aid Application Form. The application form can be found on the DLSC website: <http://davislegacysoccer.org/financial-aid/>
 - **A copy of your 2021 and 2022 Federal Tax Form 1040** (A copy of your spouse's forms too if you filing separately)
- Applications for Financial aid will be accepted on a rolling basis throughout the season until all credits have been depleted.

Financial Aid Policies

- Financial aid is awarded to players based on financial need only.
- To be eligible for Financial Aid you must commit to participate for the entire competitive Season (June 2023 to May 2024). Anyone electing to leave the program early as a result of their own choice will have their Financial Aid award revoked and you will be responsible for paying any amounts due as a result of the revocation prior to being released.
- Financial aid awards are revocable if any other conditions listed within the program requirements are not met by the applicant.
- For competitive team players, your financial aid award will be credited directly to your BYGA account and posted to the invoices at the end of the season provided that that all other club membership conditions are being followed and your player is in good standing.
- For recreational team and U6-U8 Development Academy players, your financial aid award will be in the form of a partial refund of your program registration fee. The partial refund will equal the amount of your award.
- No financial aid will be granted to returning players that (or players whose siblings) have a delinquent account from prior seasons.
- Financial Aid must be submitted via email. Contact the club Director of Administration and Finance if you are having issues submitting documents electronically to make alternate arrangements.
- Financial aid recipients within the competitive program also have the opportunity to volunteer for parking shifts at DLSC events to further reduce their family's financial burden. Credits of \$15 per hour per parking volunteer shift will be attributed to your player's account. Please note, the sum of the financial aid and the credits earned by volunteering for DLSC parking shifts may not exceed the club dues for the 2022-23 season. The Parking shift program is only open to families enrolled in the competitive soccer program.
- Information submitted in support of a financial aid application will be kept confidential, except to the extent necessary to effectively administer the program.
- Anyone joining Davis Legacy after July 30, 2023 and who is eligible for Financial Aid will have their Financial Aid award prorated in a manner determined by Davis Legacy.
