

Assigned Tournaments for Volunteer Obligations

As part of your acceptance of a spot on your team and as stated in your registration requirements, you are obligated to provide three (3) volunteer shifts, equivalent to six (6) to eight (8) hours of volunteer service per registered player at a Davis Legacy-hosted tournament (**Note that working a parking shift through our Parking Shift program does not meet your tournament volunteer requirements**).

Tournaments are the club's primary fundraisers. Their successful operation is critical to the club's overall success. Failure to complete your mandated volunteer hours could jeopardize your club membership and prevent you from receiving a refund of your volunteer fee (you must also complete your commitment to the team and have no late payments to qualify for a refund). Below are the tournaments assigned to all teams for the 2026-27 Davis Legacy Tournament series.
